PERSONS WITH DISABILITIES PARKING:

A valid CSUN parking permit must be displayed and the distinguishing license plate or placard issued by the state's Department of Motor Vehicle (DMV) when the vehicle is parked in a blue space designated for disabled parking on the CSUN campus.

When a vehicle is displaying a valid CSUN parking permit and a (DMV) distinguishing license plate, or state issued placard, **it is permissible for this vehicle to park in time restricted green curb zones and in metered spaces when other disabled spaces in the immediate areas are being used.** Fees are not required for such a vehicle parked in a metered space.

The **misuse of a disabled placard is a criminal offense** under the California Vehicle Code 225511.56 (section b) and may be confiscated by a CSUN Police Officer.
