AFTERNOON: WHAT TIME DOES THE SHUTTLE DEPART TO TAKE PEOPLE BACK TO AFTERNOON TRAINS?

To return to the Northridge Metrolink Station by Shuttle, there is a schedule that is based on the 2 afternoon pick-up locations. It is as follows:

TRAIN/TIME	DEPARTS LOT B5	DEPARTS THE USU
#116 @ 2:54PM	2:30PM	2:35PM
#155 @ 3:51PM	3:25PM	3:30PM
#115 @ 4:11PM	3:40PM	3:45PM
#150 @ 4:35PM	4:05PM	4:10PM
#117 @ 5:01PM	4:30PM	4:35PM
#118 @ 5:32PM	5:00PM	5:05PM (Final Shuttle Departure)
#119 @ 5:46PM *	(Also 5:00PM)	(Also 5:05PM)

A **"final sweep"** shuttle makes a single run **no earlier than 5:15 and no later than 5:30** to pick up passengers needing to get to the **5:46pm train**.

Passengers needing an earlier train (i.e., #118) are NOT RECOMMENDED to attempt waiting for the "final sweep" shuttle, as it will not likely arrive at the station prior to the train's 5:32pm scheduled departure.

How can I get back to the Northridge Metrolink Station during the mid-day when the free shuttle is not running?

Passengers are advised to use the DASH bus to access the train station. The nearest stop for DASH is the southwest corner of Reseda Blvd and Nordhoff Street. DASH stops there every 20 minutes on time points that end in ":11", ":31" and ":51" minutes after the hour. The DASH route is not a direct trip from that location, so please allow 25-30 minutes of bus riding time to get to the station for your train.
